

PATROL HANDBOOK

2019 - 2020

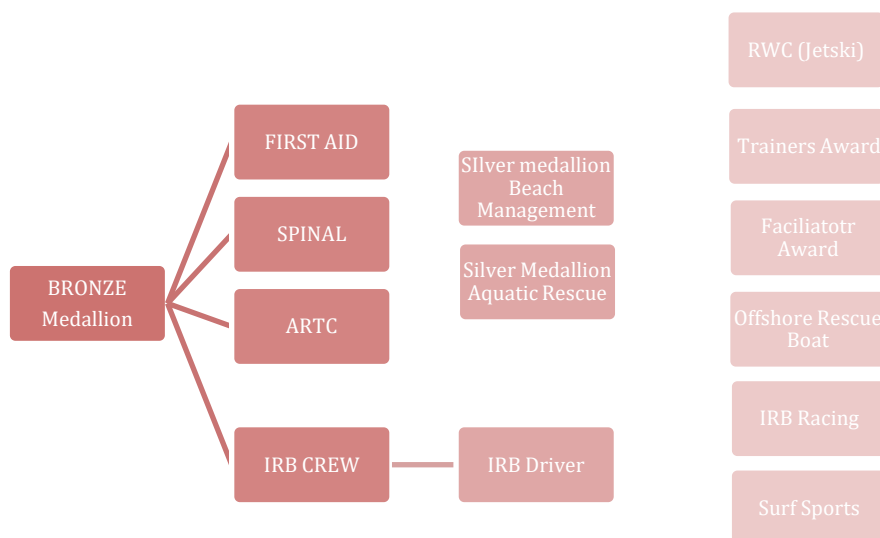

Dear Maroubra Members,

Welcome to another season of patrolling at Maroubra Beach. This newly updated patrol handbook contains all the information you require for your patrols with Maroubra SLSC, as well as all the significant dates for this upcoming season. Included in this handbook is the patrol roster and proficiency info. The roster will also be posted on our website (maroubraslsc.com.au), Facebook page and team app, along with other information on education, courses and other club events. We have also created a **Membership Handbook** and **Surf Sports Handbook** for the benefit of our members. These documents contain any additional information you may require. Please feel free to request these documents.

Education @ Maroubra SLSC

All members also have the ability to up-skill by obtaining more awards through our education programs that we provide. Once you have obtained your Bronze medallion, the world is your oyster! These awards are available to club members for free and will not only help you on the beach but also further your qualifications on your resume and in the workplace. If you are interested or require any further info, please contact our **CTO Paul O'Donohue** on **education@maroubraslsc.com.au**

Skills Maintenance @ Maroubra SLSC

Skills maintenance (proficiency) is required to be done each year for most awards obtained. The skill maintenance schedule is contained within this handbook. It is the member's duty to arrange a time to do their skills maintenance. ***All skills maintenance must be completed by the 31st December. No skills maintenance will be done after this date.***

Club News @ Maroubra SLSC

Keep an eye out for the latest club news and events in the monthly newsletter. We ask all members to regularly read this to ensure you are kept up to date with events being planned around the club, which include training, social and everything in between. The club also has a private Facebook page, "Maroubra SLSC", which members can request access to. Here members arrange patrol swaps and redistribute information that is in club newsletter and emails. Members are encouraged to use the Facebook page for obtaining patrol swaps.

We thank you for your continued commitment to the surf club and the local community. If you have any questions or if you would like to gain any more information on the areas of lifesaving, competition or education please do not hesitate to contact one of the Club officers whose names and numbers are located within this handbook.

Yours sincerely,

Mathew Harper
Club Captain

FAQ'S – PATROL OBLIGATIONS AND INFORMATION

Thank you for volunteering your time as a lifesaver with Maroubra SLSC. The following information outlines some FAQ's about patrols as well as the protocols for patrol swaps and obtaining proficiency. After being allocated to a particular patrol, it is your duty and responsibility to attend that patrol each and every time the patrol is rostered. Consequently, you must look up the patrol roster regularly to find out when you are next on duty. Pay attention during December and January.

Q: What do I do if I cannot attend my Rostered patrol (Holidays, illness, accident etc)?

A: All patrols for the season are pre-set. If you cannot attend a rostered patrol, you have plenty of time to try and arrange a substitute to ensure you achieve your 100% attendance. To find a sub, you must have a member of the same award level (or higher) **SUB** for you. Members can find subs through the Maroubra SLSC private Facebook group, through texting/ ringing other members or through the TEAM APP. Members can also contact their patrol captain for help or contact the CLUB CAPTAIN who can assist in the process of obtaining a sub. Once both parties agree to a swap, you will then become fully responsible for the new patrol and the other person responsible for your old patrol. Note: Patrol contracts agreed to online (e.g. Facebook) must be recorded via screen shot for your own records.

Q: What do I do if I miss my rostered patrol?

A: If you miss your rostered patrol, it is not the end of the world... You will however, be required to make up the patrol hours that you have missed. You should also attempt to notify your patrol captain or the club captain, before the start time of the patrol as a matter of courtesy.

- If this is the **first patrol** you have missed: You only need to make up the equivalent hours before your next patrol. You can sign onto any patrol as a **makeup**. You do not have to do any penalties.
- If you have missed **more than 1 patrol**, you will be required to complete a makeup patrol to make up the equivalent hours as well as a penalty patrol.

Q: What is 100% Patrol Proficiency/Attendance and how do I achieve this?

A: 100% proficiency/attendance refers to a member who completes all their rostered patrols or the equivalent hours. To receive a Patrol Efficiency Award for the season a member must sign on to the patrol **ON TIME (not late)**. If they cannot attend a patrol, the patrolling member organises a swap to cover their patrol (same award or higher) and they pay their swap back as a **SUBSTITUTE** patrol. If they do not pay the member back as a SUB, you will need to make up the equivalent hours as a **VOLUNTEER** patrol.

Q: What is a year of service and how do I achieve this?

A: A year of Service is given to every patrol member who completes their patrols. If they miss a patrol and make up the hours, the member will still receive a year of service. However, they will not receive 100% attendance. **Remember 10 years of service = LONG SERVICE!!**

Q: What is long service and how do I achieve this?

A: Long Service membership can be obtained by patrol members who complete 10 years of patrol service with Maroubra or another SLS club. If you would like to apply, please email the club captain

Q: What is Active Reserve Membership and how do I apply for this?

A: Active Reserve: to be eligible to apply for active reserve status you must complete the equivalent of 8 years of full patrol. If you would like to apply, please email the club captain.

Q: I have missed two or more patrols and have not done a makeup. I am now suspended! What do I do?

A: If you miss 2 rostered patrols and you have not done a “make up” and a “penalty” patrol you are automatically suspended from using all Club facilities and equipment. **Please make contact with the club captain so we can sort out the situation and get you back on track to access all the club facilities and enjoy being a member of the club.**

Q: Do SRC's have to patrol during September and April

A: Surf Rescue Certificate (SRC) holders are not required to attend patrols during the months of September and April. In lieu of this, SRC holders may be requested to assist with Nipper activities by their patrol captains if rostered on Sunday mornings.

Q: How can I check my awards, patrol records and update my information?

A: All of the above can be checked online at any time by logging into your members portal. If you have never logged in before, simply create a new account. (Google: SLS Members portal) <https://members.sls.com.au/SLSA Online/modules/login/index.php>

Q: I'm overwhelmed, feeling lost, confused, not sure what I'm doing or I'm not enjoying my time with the club. What do I do?

A: There are many people who can help you and are willing to go the extra mile to make sure you feel, at home, comfortable and make sure your time at the club is rewarding. Firstly, have a chat with your patrol captain. All patrol captains are very approachable and are here to help! If not, maybe call the Club Captain or the Club Vice Captain, Director of Membership or Club Secretary and see if they can help. Remember, we are all here to help each other out!

Remember:

- At all times whilst you are on patrol, you must obey any direction given to you by your patrol captain or the club captain (or any member whom authority has been given)
- At all times whilst on patrol, a patrol uniform must be worn. This includes patrol cap (secured), shorts and shirt.
- Patrol members are required to report to their patrol captain **10 minutes prior** to the commencement of the patrol and are required to stay until dismissed by the captain.
- All patrolling members must personally sign on.

Skills Maintenance 2019/2020 Season

The Lifesaving Committee reminds active patrolling members and competitors that they must complete annual skills maintenance for the following awards currently held:

- Bronze Medallion (BM) / Surf Rescue Certificate (SRC)
- Advanced Resuscitation Techniques Certificate (ARTC)/ Spinal Management
- IRB Driver and Crew
- SM Aquatic Rescue **(New)**

All active patrolling members must be proficient by the 31 Dec 2019.

Being proficient is important in ensuring all members have the most up to date skills and knowledge in the award(s) they hold. It is imperative that they are completed by the above date, both for patrol members and competitors.

Skills Maintenance

Bronze / SRC / CPR (held at Maroubra)

The club will run proficiencies during the first month of patrols for patrolling members. If you are on the morning patrol you will be required to remain after your first patrol concludes for approximately 45 minutes and if you are on afternoon patrol you are required to come to your patrol 45 minutes before your usual arrival time. There will be 4 group run skills Maintenance sessions for other members and for people who for good reason could not attend their first patrol. These proficiencies will take place on Sunday 20th of October, Sunday 17th & 24th November & Sunday 8th December commencing at 9am. Proficiencies will require a run swim run, where adjustments may be made according to conditions, signals, radios, a rescue (tube or board), CPR scenario and first aid (including spinal for bronze candidates.) A delegated trainer or assessor will deliver the proficiency assessment. **REMEMBER No proficiency = No Patrolling!!**

ARTC & Spinal (held at Maroubra)

ARTC and Spinal proficiencies will be conducted by the higher awards training team, upstairs in the club. These proficiencies will precede the Bronze and SRC proficiencies Saturday 13th & Sunday 14th of October and Saturday 10th & Sunday 11th November commencing at 8am.

IRB Driver & Crew (held at Maroubra)

IRB DRIVER and CREW proficiencies will be conducted on patrol by the IRB training Team

SM Aquatic Rescue – New proficiency introduced this season. More information will be released at the start of the season.

Please ensure your details are current on Surfguard

If you are interested in completing or assisting in training of any further awards, please do not hesitate to contact the Chief Training Officer.

Any queries on skills maintenance please contact Paul O'Donohue on education@maroubraslsc.com.au
